

In State FBI CBC

If you have not already completed the on-line application, please go to the Board's website at www.ncptboard.org and click on the green [Apply Online](#) button on the home page.

1. Complete the online application. After submitting and payment, the next steps will walk you through choosing where you will complete your fingerprinting for the FBI Criminal Background check.

Regardless of your mailing or physical address, if you are going to a law enforcement agency in North Carolina to get your fingerprints done, use Live Scan to obtain and transmit your digital fingerprints electronically to the State Bureau of Investigation (SBI) and Federal Bureau of Investigation (FBI).

2. There are links on our website that you can access so that you do not have to wait for the packed.

Take your forms to the police department.

3. Mail all your forms to:
